

## Student Veterans Throw Their Own Veterans Day Event

The GWC Student Veterans Organization (SVO) celebrated Veterans Day on November 7th by throwing their own fundraising event in the Central Quad. The club is raising money to bring a Special Olympics competition to the GWC campus, and they sold hand-crafted bracelets at this event.

Activities included an obstacle course competition and an MRE (Meals Ready to Eat) eating contest. Luckily, guests didn't have to eat the military rations, the veterans served pizza and sodas for a small charge, or free for students with an ID sticker.

Attendees were asked to sign a poster with the name of a veteran that they wish to honor on Veterans Day. One staff member listed 19 names!

## The GWC Intercultural Program Celebrates Day of the Dead in Style!

Many years ago the Intercultural Program began this celebration on our campus as a way to honor the lives of those who have passed on before us. The *Día de los muertos* event is a collaboration with the Puente Program of Golden West College. Students and campus community are invited to make shoebox altars that include a picture of the deceased, trinkets that relate to the life they lived, and special foods and drinks that the deceased enjoyed.

This year's celebration was worked into the curriculum of the Puente Program by Professors Nancy Fong and Stephanie Guerrero. The students were given a lesson on the history of *Day of the Dead* by Lorena M. Ortega of the Intercultural Program. They then set out to build the small altars—some of the students even helped build the large altar on the day of the celebration.

The GWC Cosmetology Program and Club participated in the Intercultural Program event for the first time by offering free Halloween face painting anyone who attended. Additionally, Professor Anita Preciado of Coastline Community College brought 40 students to participate in building the shoebox altars and in a sugar skull decorating workshop.

**Men's Water Polo** (19-2, 5-0) will look to claim its 43rd Conference Championship November 8-9 at Fullerton College. Going into the OEC Championships, the Rustlers will play either Fullerton, who they defeated earlier in the season 15-10, or Santa Ana, an 18-7 win for GWC.

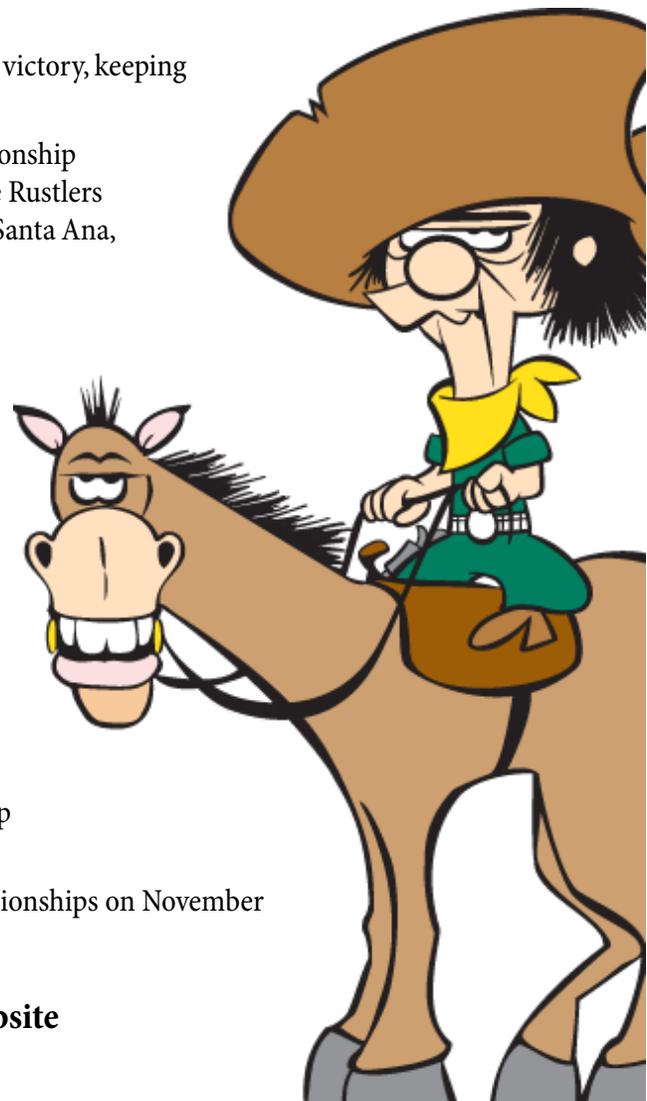

**Women's Water Polo** (22-0, 6-0) pulled out a narrow 11-9 victory over Riverside, continuing their push for a second undefeated season.

**Women's Volleyball** (13-2, 7-2) took 55 minutes to down Santa Ana by a score of 25-10, 25-7, 25-10 at home to get back in the win column, only to see a 0-3 loss at Cypress. The women are now ranked 4th in the state, and 3rd in So Cal as they now revisit conference teams in the push for SoCal Regionals at the end of the month.

**Women's Soccer** (7-6-4, 6-4-2) is looking to bounce back after suffering losses to Irvine Valley and Cypress. Despite these losses, the women are still in a 3-way tie for 2nd place ranking in the OEC.

**Men's Soccer** (8-7-2, 5-3-2) defeated Cypress 7-0, playing strong from the opening whistle. They now face their toughest competition as they push for the end of the season - looking to beat OCC and Santa Ana for a top spot in the OEC.
