

You are invited to an MIE (Microsoft Innovative Educator) Academy!

A professional learning experience to learn how to maximize your use of Windows and Office 365. You will get the opportunity to explore tools such as Office Online, OneNote Class Notebooks, Microsoft Forms, and Sway, including how to provide your students with learning experiences beyond the four walls of your classroom using Skype in the Classroom and the Microsoft Educator Community.

Thursday, November 30, 2017

LRC 251

There will be two sessions:

9:00 AM – 12:00 PM

This AM session will be geared towards management and classified employees and how they can use Microsoft 365 and OneNote in their daily job duties.

2:00 PM – 5:00 PM

This PM session is geared towards faculty and how they can use Microsoft 365 and OneNote in the classroom.

RSVP by November 22nd to Brandi Williams via email at bwilliams122@gwc.cccd.edu
