Nicholas St. Clair, AIFD, CFD

Inducted into AIFD in 2017, internationally published floral designer Nicholas St. Clair began his floral career while attending High School. After finding his passion for design in the arts he earned a degree in Interior Design in 2008. Post graduation he focused his talents on events and weddings, designing a multitude of functions, later earning a certification in Event Coordinating from Cal Poly Pomona. Under the tutelage of Phil Rulloda, Nicholas created floral pieces for the 2017 AIFD Symposium, which opened the door to work with Fiesta Parade Floats in the 2018 Tournament of Roses Parade.
